

Dear Parents and Grade 5 Students,

Welcome to GAMP! We are sure you know that you've chosen a wonderful school and we know that your time spent with the GAMP family will be a wonderful experience. In order to start the year off right, we would like to share with you our general expectations as well as a basic list of supplies, which will be needed in class:

*Excellent attendance and punctuality are a must.

*Everyone will make every effort to adhere to all school and classroom rules for behavior.

*All homework, assignments, projects and preparedness for test are due when they are due. Exceptions will be made only in emergency situations.

*We will be in contact with you from time to time, so we hope you will take every opportunity to be in contact with us.

***** Our doors are always open for student and parents. *****

Since lockers are a new experience for the incoming fifth graders, we encourage that over the summer, you provide a combination lock in order for your child(ren) to practice how to turn the dial. Please note that your child(ren) will not need this lock for school. The lockers at school have a built in dial.

Also, we encourage that your child practice their cursive writing and be able to read cursive writing. There are several websites that provides the practice of letter formation. Writing legible is extremely important. Remember, PRACTICE MAKES PERFECT!
