Dear Parents and Guardians,

It is with great pleasure that I welcome you and your student to the Girard Academic Music Program for the 2024-2025 school year! My name is Ms. Carsello and I will be your student's math teacher for the upcoming school year. This will be my third year teaching at GAMP. As a GAMP graduate, I am honored to teach at my alma mater in the mathematics department. I have high expectations for all my students and am dedicated to their success in our class.

Below are the supplies that your student will need for our class this year. Some supplies, such as protractors, compasses, and calculators, will be available to students from our classroom set. Students are not permitted to bring calculators home with them. They may sign out a protractor as needed.

School Supplies

- 5 pencils
- 3 different color highlighters
- Pocket folder
- Loose leaf paper
- School-provided Chromebook and charger
- **Recommended:** straightedge
- **Much appreciated donations:** tissues, paper towels, hand sanitizer, sanitizing wipes, 1 ream of copier paper, 1 four-pack of AAA batteries

Thank you for your time and consideration. I look forward to working with you and your student during this upcoming school year! Please feel free to reach out via email or text with any questions or concerns.

Thank you,
Ms. Carsello
