

OPTIONAL MATH WORK FOR THE SUMMER....If you desperately need to practice math this summer, you can login to Khan Academy and try either the "Get Ready for 8th Grade Math" or "Get Ready for Algebra 1". To access either, you need to:

a) Go to: [khanacademy.org](https://www.khanacademy.org)

b) Log in using your Google District account.

c) Once logged in, you should see Courses. Choose either the Get Ready for 8th or Algebra and practice whatever you want.

THIS IS COMPLETELY OPTIONAL!!!! You can do 1 lesson, 2 lessons, 100 lessons, or NO LESSONS! If you feel like practicing math this summer you can use it. **I WILL NOT BE CHECKING THIS IS IN BECAUSE IT IS OPTIONAL!!!!** But again...you don't have to do any of it!!! Email me at casthomas@philasd.org if you have any questions over the summer. Have a great one and enjoy your summer!
