2136 W Ritner Street  
Philadelphia, PA 19145  
215-400-8230

Dear GAMP Community,

You are invited to participate in a crucial initiative that will shape the future of The School District of Philadelphia's facilities for years to come. The District has launched an important Facilities Planning Process survey, and your input is critical.

As part of the District's comprehensive 8-phase facilities planning process, they are seeking feedback from parents, staff, students, and community members about our school buildings and facilities. Your responses will help inform the facilities plan, which will ultimately address the condition and utilization of District buildings, including ours, in ways that will impact our entire school and Philadelphia community.

The survey is an opportunity for you to:

- Share your thoughts on current facility conditions
- Provide input on needed improvements
- Voice your priorities for our school buildings
- Contribute to long-term planning decisions

**To participate in the survey, please visit: [bit.ly/feedbackfpp](http://bit.ly/feedbackfpp)**

The survey will only take a few minutes of your time. I encourage every family to take this opportunity to make their voice heard.

To learn more about the facilities planning process, please visit [www.philasd.org/fpp](http://www.philasd.org/fpp).

Sincerely,

Joanne Beaver

Principal
